Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Wilson faxed over some proposed amendments for the examiner to look at. The examiner stated that the amendments would overcome the prior art of record. However, it was unknown if the amendments were sufficient to get the case allowed without updating the search. Mr. Wilson stated that he would talk to the client to see if they were willing to file an RCE. Mr. Wilson also requested that if upon updating the search, the amendments were not enough to get the case allowed, the examiner look through the specification and see if there is anything they could add to get an allowance and that he would like to have a primary examiner present at the next interview to discuss anything they can do to get an allowance for the case. Mr. Wilson called back on 7/6/007 and stated that the applicant was willing to file an RCE.
